

Great job on week 2! Here are some more discussion questions. Remember, these questions aren't a script to follow, just conversation starters. Share your experience, listen to others, and encourage each other!

General Questions for Each Week

How did it go? What went well from the challenge? What didn't go so well?

Did doing this challenge help you grow? Or not so much?

Were you pushed out of your comfort zone? Or was this one not too challenging?

Do you think you might try doing this again in the future?

Questions Specific to Week 2

How did you feel when handing out the first mercy pack as compared to the second? (And what might it be like for a third? ;)

Were you able to pray with the people?

Do you ever find that it's easy to see someone in need and let your mind just ignore them or subconsciously "dehumanize" them, at least a little bit? Did this exercise help you to see people as God sees people?

Have you ever considered that these acts of mercy aren't just our work, but you are doing God's work? God cares deeply about all people and especially the poor. He desires that they be cared for. As we carry out God's work, we are not only helping the poor, *we are the hands and feet of God.*
